

Job Openings and Information

Fann Contracting, Inc., EOE, Drug Free, NSE, E-Verify Compliant

Hot Plant Operator (CMI plant): Statewide travel is required. Knowledge of AC mix designs, materials, QC testing/sampling, environmental compliance preferred. OSHA and MSHA training required. The quality candidate must be organized, detail oriented, computer literate and have 3 to 5 years experience in ordering parts, maintenance, and full operation of an asphalt plant.

We offer competitive wages, excellent benefits including medical, dental, life insurance, 401k plan and bonus programs. Email resume with wage requirements to jobs@fanncontracting.com or apply at Fann Contracting, Inc., 1403 Industrial Way, Prescott, AZ 86301. Mailing address: PO Box 4356, Prescott, AZ 86302

Heavy Equipment Fueler/Service Person: The job description for a Fueler/Service Person will include some aspects of a Heavy Equipment Operator. You must understand to a certain degree how to operate the machinery you service, repair and/or maintain. The Fueler/Service person performs tasks in the mechanical repair, lubrication, oil changes, troubleshooting, minor diagnosis, repairs and maintenance of heavy trucks, earth moving, and/or other construction related equipment including (but not limited to) motor graders, dozers, excavators, loaders, rollers and paving equipment. Work assignments and supervision are received in the form of general oral or written work orders from the Shop Superintendent or Lead Mechanic but the employee may be expected to determine the nature and extent of needed repairs. Pay level may range between **\$12.05 and \$15.35 per hour DOE**. We offer competitive wages, excellent benefits including medical, dental, life insurance, 401k plan and bonus programs. Email resume to jobs@fanncontracting.com or apply at Fann Contracting, Inc., 1403 Industrial Way, Prescott, AZ 86301. Mailing address: PO Box 4356, Prescott, AZ 86302. FOR A COMPLETE JOB DESCRIPTION, EMAIL A REQUEST TO: jobs@fanncontracting.com.

Fleet Service/Small Engine Mechanic: A Fleet Service/Small Engine Mechanic will perform critical preventive care tasks in order to keep vehicles and machines running smoothly. The successful candidate will have experience with diesel and gasoline operated engines to include Ford, Dodge and Chevrolet work trucks. Good Electrical diagnostics, troubleshooting and repair knowledge is crucial. The Fleet Service/Small Engine Mechanic will also perform skilled tasks in the general mechanical repair, troubleshooting and maintenance of small compactors, light plants, and/or other construction related equipment. Occasionally, you will be required to work outside (and/or in the field) but generally will be working in the shop on a daily basis. Pay level may range between **\$13.40 and \$17.40 per hour DOE**. We offer competitive wages, excellent benefits including medical, dental, life insurance, 401k plan, and bonus programs. Email resume to jobs@fanncontracting.com or apply at Fann Contracting, Inc., 1403 Industrial Way, Prescott, AZ 86301. Mailing address: PO Box 4356, Prescott, AZ 86302. FOR A COMPLETE JOB DESCRIPTION, EMAIL A REQUEST TO: jobs@fanncontracting.com.
